WHO WE ARE

Real Food. Crafted with love. What do we mean when we say healthy? Appropriate portions, whole foods, zero trans fat, msg and added sugar. That's a start. Simply put, we prepare our food just like you might in your own kitchen. We only use fresh, healthy ingredients including lean cuts of meat, fiber rich fruits and vegetables as well as organic and locally grown food whenever possible. We also prepare our food by hand, not by machine. We think you'll enjoy just how delicious and easy eating healthy can be.

CATERING

Boxed Lunches or Business Meeting?

Make your next event stand out from the crowd by giving the healthy option! We handle boxed lunches, corporate events and family gatherings. Whatever your needs are, we can help! Call or email us today and we'll find something that best suits your needs.
